

Applied Private Instructions

For many years, the Faubion Band Program has offered private instruction from the finest professional musicians in the area. This program is supported by the individual parents who cover its cost. Lessons may be taken during band class or after school. Lessons during class time may be slightly shorter than lessons taken after school. The cost for each lesson is \$20.00 and is payable to the private teacher. Lessons should be paid for one month in advance and money should be given directly to the private teacher.
