

Faubion Middle School Band

7th and 8th Grade

Materials and Supplies Objective Sheet

- ★ These materials and supplies will be checked in class by a band director.
- ★ Use the check sheet below to make sure you have all necessary supplies.
- ★ All supplies marked with an * will be purchased through the school and be encompassed in the band fee.

- _____ 1. Case Name Tag
Every instrument needs to have a name tag on the handle with a luggage tag.
- _____ 2. Black Notebook/Binder*
A 1.5" hardbound notebook is the best, any bigger and the rings wear out. Make sure your name clearly labeled on the spine. Every student should have one from last year, however, after a year of wear and tear, it is probably best to go ahead and purchase a fresh, clean binder.
- _____ 3. Five Dividers*
So much music and information is given to the students that a notebook with five dividers is the best way to organize it all. Every piece of paper will be filed under a divider.
The dividers should be labeled: 1. Information 2. Warm Up 3. Scales 4. Rhythm and Theory 5. Music
- _____ 4. Pencil Bag with Pencils inside*
We will use a pencil everyday. Have it on your stand. There will be frequent pencil checks that are graded.
- _____ 5. Instrument Supplies
Please see the reverse side for a detailed list.
- _____ 6. Have all dates clearly marked in your agenda and family calendar.

- _____ 7. Korg TM-60 Metronome/Tuner with Korg Contact Microphone CM-200 (All students except percussion students)
The two main ingredients in music are pitch (the notes) and rhythm. Every band uses a metronome in class everyday. It is only fitting that students practice with one at home as well. The easiest way to tell whether a musician sounds good (or bad) is whether they are in tune (or not). It is only fitting that students practice with one at home. The recommended tuner/metronome is the Korg TM-60 Metro Tuner around \$25 for the tuner and \$15 for the Microphone clip.
- _____ 8. Foundations for Superior Performance Book by King/Williams (Blue Book) (All students except percussion students)
Label this book with your name and your band class. This book will provide the fundamental exercises for individual and ensemble skill development. Around \$7.
